PUBLIC SESSION

Commissioner Tollner called the meeting to order at 6:06 p.m.

MINUTES:

- November 21, 2016
- November 22, 2016

MOTION: Commissioner Plante made a motion to approve the minutes of the November 21, 2016, and the November 22, 2016, meeting. Motion seconded by Commissioner Dahl. All in favor.

BUDGET:

Business Manager Karen Smith provided the Commissioners with the following reports for their review. Ms. Smith discussed the following:

FY2017 Expenditure Report:

The Commissioners received a copy of the Department Detail Expenditure Report as of month-end December 31, 2016.

FY2017 Revenue Report:

The Commissioners received a copy of the December 31, 2016, Revenue Report.

FY2017 Weekly Payroll Overtime:

The overtime averaged \$30,483 per week during the month of December primarily due to coverage and investigative overtime. The Holiday Stroll overtime was paid in the December 1st pay week in the amount of \$14,675. The recent homicide on Kinsley Street incurred \$24,500 in overtime as of payroll paid on January 12 and the total will be included in the January reports. Once Karen Smith calculates the total overtime for this homicide, she will request a transfer of funds from the City account to cover the overtime costs.

FY2017 Overtime Tracking by Specific Case or Significant Occurrence:

The Commission received a copy of the FY2017 Monthly Overtime Tracking by Specific Case Number or Significant Occurrence report showing the overtime costs for recent major cases and or significant occurrences. During December, overtime was incurred for the Holiday Stroll, a sudden death at Paxton Terrace, an SRT callout, drug investigations, building maintenance projects, SRT training, Dive training, K9 training, and Use of Force training. An agreement was previously made with the City that the Holiday Stroll costs will not be reimbursed by the City and the cost will be carried by NPD.

FY2013 - FY2017 Payroll Graphs:

The Commissioners received graphs comparing fiscal years 2014 through 2017 overtime expenditures. FY2013 was removed from the analysis at the request of Commissioner Tollner. Analyzing the first graph entitled NPD Monthly Overtime (All Types), the baseline (which is light blue with an X symbol) represents the FY2017 average monthly appropriation at approximately \$90,000 per month.

The current FY2017 overtime (the purple line) decreased slightly in August, increased in September, came down slightly in October, came down again in November, and then slightly increased in December.

Payroll Cost Analysis and Forecast:

John Griffin's form "Police Department Payroll Cost FY2017" was updated by Karen Smith. Basing the year on a weekly overtime of \$28,000 and an average weekly payroll of \$309,000, we can use this form to forecast breaking even on the payroll accounts given any unforeseen circumstances such as major investigations. A request for an additional transfer from the overtime account to cover additional overtime as a result of the Kinsley St. homicide in January will be required.

The Commissioners received a copy of the December 2016 Strength Report.

- 11/11: Officers responded to Blossom Street for the report of a robbery. The adult male victim reported he was confronted by a male who he was familiar with through past contact. The male was armed with a handgun, which he pointed at the victim and demanded money. When the victim did not respond he was struck in the head with the gun which resulted in minor injury. A second male emerged from a room within the apartment and the victim provided the suspects with several hundred dollars in cash. The victim was forced to lie on the floor while the suspects stole other valuables from within the apartment before fleeing on foot.

- 11/15: Officers came upon a disturbance outside of Fody's Restaurant in Railroad Square. Witnesses advised that there had been a previous altercation at Fody's between the defendant and another male. The defendant had entered his vehicle to leave the area at which time he saw the subject that he had an altercation with. He began to rev his engine and subsequently struck a nearby couple with his truck. The male was found unresponsive with significant head trauma and was ultimately air lifted to Mass General Hospital where he was stabilized in serious condition. The female was transported to an area hospital with non-life threatening injuries. The defendant was arrested for DWI Felony Reckless Conduct.
- 11/06: Officers responded to the Temple Street foot bridge for a report of a subject that fell from the train track approximately forty feet (40) to the ground. A pool of blood was located on the shore of the river but a search of the area was unable to locate the potential victim. At approximately 12:47 p.m., officers located the injured subject walking down Bowers Street with significant facial injuries. He was transported to a local hospital.
- 11/17: An SRO at South responded to a medical call where a loaded firearm was located by school administration in a student's backpack. The firearm was seized. While waiting for his girlfriend, two males approached him, one with a gun, ordered him out of the vehicle and took his phone and money. The victim was then ordered to get in the suspect's vehicle, but refused to get in and was subsequently stabbed. The victim's girlfriend fled the scene. Officers placed a BOLO on her and her vehicle. Manchester PD later located the vehicle and UFOB responded to the vehicle which was secured by Manchester and towed the vehicle back to NPD. This is the second incident at this location in recent months.
