The Nashua Police Department will be conducting a Citizen Survey of the residents of the City of Nashua. The survey is designed to provide the department with feedback on our job performance. All city residents are encouraged to participate, as are people with business interests within Nashua. The Nashua Police Department will use this survey to measure our effectiveness and improve the delivery of police services within the city.

The survey is available on the Nashua Police Department's Website [www.nashuapd.com](http://www.nashuapd.com). Please take a few minutes to complete the survey, which can then be electronically sent to the department. Hardcopies of the survey are available at the Nashua Senior Center, the Nashua Public Library and at the Nashua Police Department. Completed surveys can be dropped off at any of these locations as well.

The survey will be available starting on July 1<sup>st</sup> and run until August 15th. Results will be posted on our website at the conclusion of the survey.
