On June 22nd, 2018 between the hours of 5:00 p.m. and 9:00 p.m., members of the Nashua Police Department's Traffic Enforcement Unit, in conjunction with the New Hampshire State Police, conducted a traffic enforcement operation along Main Street in the City of Nashua. This enforcement operation was conducted to educate and mitigate loud noise emissions emanating from motor vehicles and motorcycles. Main Street was selected as an enforcement area due to the number of restaurants and local businesses present along with the high number of pedestrian traffic which travels to and from these businesses. This operation was conducted to educate operators on the state laws and local city ordinances regarding loud noise emissions in an effort to deter future violations.

The Nashua Police Department urges its' citizens and local business owners to contact the Nashua Police Department should they have any traffic or quality of life-related complaints. Please visit the Nashua Police Department's website, [www.NashuaPD.com](http://www.NashuaPD.com) or on Twitter, @NashuaPolice. Should you have any questions regarding this enforcement operation please contact Sergeant Timothy Maclsaac of the Nashua Police Department's Traffic Enforcement Unit, 603-589-3885, or Lieutenant Thomas Bolton of the Nashua Police Department's Uniform Field Operations Bureau, 603-589-6102.
